

LOOKING FOR THE *Real* SCOOP?

IF YOU'RE LOOKING FOR AN EXPERT IN AGRICULTURE,
YOU'LL FIND ONE WITH FARM CREDIT.

Whether you're looking for information about the major commodities such as beef, poultry, dairy and crops, or need the latest information about the Farm Bill or ag economy outlook reports, Farm Credit's experts are a trusted source for all topics related to agriculture.

For more than 100 years, Farm Credit of the Virginias has been the local leader in financing agriculture and rural America.

Farm Credit of the Virginias is a \$1.8 billion ag lender, serving Virginia, West Virginia and Maryland.

Loans for
*Farms, Homes, Land
& Agribusiness!*

Check out just a few of our resources. Click on the icons below!

We have Loan Officers who are experts on certain commodities. Check out this beef cattle industry overview.

Our Knowledge Center acts as a Network Agent connecting people to the agriculture industry through workshops and other resources.

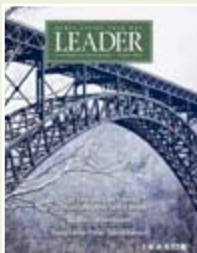

Our Leader magazine features stories about our customers and their diverse operations.

Farm Credit strives to build lasting relationships with members of Congress to share the importance of lending to rural America and the impact it has on our industry.

Read our Leader magazine and find us on Social Media
