

Bee-ing prepared is one of the most important aspects of beekeeping. For every beekeeper, the manner in which you keep your bees is different. One thing is certain though; everyone will need the basics.

Basic Beekeeping Supply List-based on 2 hives

2 Longstroth beehives; which consists of:

Telescoping top

Inner cover

Two to three brood boxes (depends on configuration)

Bottom board

Reducer

1 Protective jacket with veil, or just a veil

Beekeeping gloves

1 Smoker

1 Hive tool

And of course bees for both hives
