

## CROPS AND GRAINS

Join us for the 2023 Star Insights Series that will be held virtually, so you can join from anywhere!

### ▲ What Will Be Shared?

2023 review on corn, wheat and beans and the outlook for 2024.

### ▲ Who Is Invited?

Any producer wanting to gain knowledge on the 2023 review of corn, wheat, and grain as well as a 2024 outlook! Agriculture is intertwined, so all commodity types are encouraged to hop on and learn more!

### ▲ Who Will Be Speaking?

**Robert Harper**

*Farm Bureau, Federation Grain Division Manager*

Robert has been at Farm Bureau in the Grain Division for 9 years. Before joining Farm Bureau, he was self-employed in the beef cattle business. Robert studied at Ferrum College, VA Tech and the University of Wisconsin – Madison. He was raised in eastern Hanover County and has lived with his wife and children in Powhatan for the last 20 years.
