

RISK MANAGEMENT AND CONTINGENCY PLANNING

Build a Risk Management Plan for your Farm.

Uncertainty is part of farming, but being unprepared doesn't have to be.

In this self-paced course, you'll work step-by-step through the Risk Management Workbook to identify the risks that matter most to your operation and build a plan you can actually use.

Instead of theory, this course focuses on real decisions, real scenarios and real outcomes, so you leave with something tangible.

Who Should Enroll:

- ▲ Farm owners/managers
- ▲ Producers planning for growth or transition
- ▲ Anyone looking to strengthen long-term business stability
