

Pumpkin Activity Ideas

1. Crossword puzzle

Materials

- [All About Pumpkins and Pumpkin Facts](#)
- Knowledge Center [Pumpkin AgBite](#)
- Knowledge Center [All About Pumpkins and Pumpkin Facts Crossword Puzzle](#) and [Answer Key](#)
- Writing Utensil

Procedure

1. Have students read through the Knowledge Center Blog “All About Pumpkins and Pumpkin Facts” and the Knowledge Center “Pumpkin AgBite” then complete the Knowledge Center All About Pumpkins and Pumpkin Facts Crossword puzzle. All answers can be found in the blog and graphic.

2. Label the Pumpkin

Materials

- Knowledge Center Pumpkin AgBite
- Pumpkins
- Paint/paint brushes or carving materials
- Tooth picks
- Knowledge Center pumpkin parts labels
- Scissors
- Tape

Procedure

1. Have students cut out Knowledge Center Pumpkin Parts labels
2. Once students have all labels cut out have them wrap each label to its own tooth pick and secure it with tape.
3. Once every toothpick has a pumpkin part have student use the Knowledge Center Pumpkin AgBite to correctly label their pumpkin. (Have students cut the top off their pumpkin to be able to see inside.)
4. Once students have correctly labeled their pumpkins they can either paint or carve their pumpkins!
